Snow Mountain is the original golf course at the Las Vegas Paiute Golf Resort and features typical Dye flair with water holes, intriguing doglegs and very nice conditions. The par 3, 16th hole is as good as any par 3 in Las Vegas. Sun Mountain was the second course to open at the Las Vegas Paiute Golf Resort while THE WOLF, was the third course and is generally considered the most challenging and best of the three.

However, many Las Vegas golfers would also vote Snow Mountain as the favorite but each course is worthy of your time. Annika Sorenstam and Karrie Webb opened THE WOLF course by playing against each other for a segment on Shell's Wonderful World of Golf. Webb fired a 64 while Sorenstam fired a 65 in the nationally-televised tournament. Click here for the hole-by-hole of [THE WOLF](#). And rates and deals are subject to availability and can change without notice.
